

### RAFFLE QUILT COORDINATOR, TRAVEL AND TICKET SALES

The travel committee (1-2 people) is to plot out the travel schedule for the quilt. There are many people in the IQI guild that belong to other guilds, workplaces, quilt stores that would show the quilt and sell tickets.

#### Timetable

For example, the raffle quilt for the 2013 show began in the Fall of 2011, when the design was selected and approved. The quilt was quilted by summer and the ticket sales began after the Fine Art of Fiber, in December. Ticket sales and travel began in January 2013.

The travel committee is also responsible for delivering the raffle quilt and tickets to the Fine Art of Fiber at the Chicago Botanic Garden. In addition, they name someone to pick up pre-show ticket sale money during the show to give to the treasurer and have someone at the show at 4:00 p.m. Sunday to conduct the drawing and contact the winner.
