PRESIDENT'S LETTER:

Welcome back to another year of fabulous programs and workshops! Our VP of Programming, Angel Sidor, has come up with some really great programs, as we start off with a one-day bus trip to Quilt Expo in Madison, Wisconsin on Sept. 7th, followed by a program by Jan Aaron on the 12th on "What's What on Modern Quilts". We'll have programs by Mary Buvia in Oct., Mary Fons in Jan., Suzanne Marshall in Feb., Lenore Crawford in Mar., Pamela Holland in Apr., and Philippa Naylor in May. Be sure to bring your checkbook and calendar as the workshops will fill up quickly.

Remember the FAOF is coming up fast in November, so be sure to enter your beautiful quilt in the exhibit. Also, keep in mind the boutique as a great way to sell your hand-made items, as IQI also benefits a bit from each sale. You must apply to the people in charge of the boutique for a spot on a table for your items and those spots are quickly snatched up.

Finally, consider coming to the first service day of the year, on the 21st. Either bring your sewing machine and make quilts there, or cut fabrics, or press blocks. Whichever job you choose, you will make a difference in some child's life by helping make a Project Linus quilt.

See you in September,

Esther Behnke

Did you know...

the annual Garage Sale has become IQI's second largest fundraiser, after the raffle quilt? Our Garage Sale raised over \$850 at the June potluck, dramatically exceeding expectations.

This important job has been handed around the Board and now has grown to the point where it deserves its own

committee. This is an ideal job for several people to work on together and an excellent way to fulfill your service commitment to the guild.

The Garage Sale requires minimal work during the year and several hours to organize and arrange. All interested should contact Jennie Gordon at jgquilts@hotmail.com.

IQI 2013-14 LECTURES & WORKSHOPS

Sept. 7 Bus trip to Madison. We leave Northbrook Court at 7:30 a.m. (boarding bus at 7:15 a.m.) Returning from Quilt Expo at 5:30 p.m. (bus begins boarding at 5:15 p.m.)

Sept. 12 Jan Aaron “The What’s what of Modern Quilts” This lecture provides an overview of the modern quilt movement. Everything will be addressed from who’s who in the movement, to pattern and fabric resources, to what is a modern quilt. Key elements include discussion on negative space, neutrals and simplicity of design. We have invited Blue Underground for a fun shopping experience. So come early.

Oct. 3 Mary Buvia “Idea to Reality” Full trunk show and discussion, question/answer period on how quilts are realized. The audience is asked to join in on the conversation. It’s fun! Mary’s original quilts have won over 50 awards in major competitions and have appeared in many publications including covers of magazines, engagement and twelve-month calendars. Her work has been included in “500 Art Quilts”, published by Lark Books.

October 3-4 Two-day workshop “Machine or Hand Invisible Appliqué”. This class is a hands-on exercise in the preparation, cutting, and stitching of an original pattern. Learn all elements of this award-winning method, freezer paper turned edges technique. Participants learn how appliqué pieces may be machine appliqued, hand appliqued, or decorative-edge appliqued, as well as a unique trapunto technique. Hand-outs and original full size patterns are provided.

Jan. 2 Mary K. Fons “War & Piecing: Confessions of a Quilt Mafia Daughter”. In this funny and thought-provoking address, Mary Fons shares her path to quilting, inside stories from the quilt industry, and shares gorgeous quilts along the way. She is the creator of Quilty, a weekly online program and now serves as editor of Quilty magazine, available bi-monthly on newsstands nationwide. She serves as co-host of “Love of Quilting” with her mother, quilter and educator Marianne Fons. She lectures and teaches workshops across the country, writes the monthly newsletter (The Cut Sew Press), and hosts the online special, “Quilt With the Stars.” Her first book, “Quilts To Make Love Under” will be published by Stash Books/C&T Publishing in 2014. Mary is a member of the Chicago Modern Quilt Guild and has a special place in her heart for rookie quilters because she basically learned how to quilt on national television.

Jan. 4 Jim Pilarski (1/2 day workshop, morning or afternoon). Paper (foundation) piecing is great for achieving sharp points. Learn the foolproof way to avoid cut-off points when sewing a paper-pieced arc to another curved piece.

Feb. 6 Suzanne Marshall “The Evolution of a Quilt maker” Suzanne Marshall, international-award winning quilter, brings her latest art to the internet! As a self-taught quilter who has never taken a lesson, Suzanne has evolved several novel techniques, such as Take-Away Appliqué.

Feb. 7 “Hand Quilting Without a Frame or Hoop” workshop. The class will include preparing the quilt for hand quilting, discussion of battings, demonstrations, and hands-on experience with plenty of individual attention from the instructor. Wonderful results can be obtained, often with smaller stitches. There will be templates galore to select and copy and numerous battings to run the needle through to see which the favorite is.

Feb. 8 Take-away appliqué “Rhapsody in Bloom” workshop. Art nouveau designs of graceful, flowing lines and interpretation of forms derived from nature. Enjoy appliquéing a floral block, learning methods for smoothing curved lines and using take-away appliqué for the multi pieced flowers. The pattern (provided in class) makes a beautiful small wall hanging or a perfect starting point for an art nouveau quilt. Every skill level. Full day class

Mar. 6 Lenore Crawford “Award winning Techniques for Fusing Fabrics.” Lenore Crawford’s fabric art combines her love of France, their architecture, and flower gardens along with her passion for

color and realism. Texture and warmth achieved from the fabric itself along with fabric painting gives an impressionistic feeling that only this medium can produce. She has won several prizes for her art and continues to develop and grow her medium and style in new and beautiful ways.

Mar. 7 One Day Fusing/Painting . In this workshop we will begin designing a small fused project. We will work from one of three of Lenore's patterns that are shown on the Patterns Yellow Poppies, Red Poppies or Yellow Cone Flower, less complex patterns for beginners. Learn how to make your own patterns from your own photos, too! Lenore will also demonstrate how to add fabric painting to your design, adding detail and depth. \$15 supply fee includes patterns by Lenore plus other supplies she provides.

Mar. 8 Shredded Fabric Art Quilt. In this workshop student will learn to create their own impressionistic art quilt using a technique originated by Noriko Endo. Fabrics are shredded in class and used to design a scene. Then the design is covered in tulle and top-stitched using free-motion sewing. Finishing techniques will be covered such as binding and hanging methods. Lenore will show how she uses fabric paints to enhance these piece.

Apr. 3 Pamela Holland "The Journey of Discovery through Quilting". Quilter, quilt designer, pattern designer, fabric designer, photographer, illustrator, film maker, judge, author. After a career as a photographer, and fashion designer, Pamela has been working in the quilting industry for over 20 years. She travels 10 months of the year to far-flung places teaching the art of quilting .

Apr. 4 When do we get to create the quilts from the alphabet? How many of you have created your own letter from the alphabet? Well, this is the class for you. Create a letter and each of you will design your own quilt, with a little help from me. What is appliqué? What is illustrated? This class takes you one step further.

April 5 Mexican Tiles. Learn how to create a Mexican Tile pattern with appliqué. A pattern is provided or you can create your own. Learn how to illustrate a tile pattern. (you will complete two in one day).

May 1 Philippa Naylor "The Evolution of a Quilt maker". Born in Yorkshire, England, Philippa discovered a love of sewing and knitting as a child. A second-hand sewing machine for her thirteenth birthday enabled her to progress from making doll clothes to full sized garments for herself, family and friends. After training to be a clothing designer she worked for five years designing lingerie for Courtaulds Clothing. She then moved to Dhahran Saudi Arabia with her husband Peter, who, at the time, was working as an English language teacher. Philippa has had great success in quilt shows in the UK and America, and won many prizes - most notably the AQS Bernina Workmanship Award with "Pop Stars" in 2002 and AQS 'Best of Show' with "Lime Light" in 2003

May 2 Curved Piecing full-day work shop, Suitable for confident intermediate and advanced level students. Learn Philippa's unique award-winning curved piecing method in this exciting new class. A great opportunity to learn an entirely different way of creating a beautifully crafted contemporary quilt top.

May 3 Happy Endings—Creative Ways to Finish Your Quilt. Be inspired by a variety of decorative edges and learn how to support unusual-shaped quilts. Facings, bindings, plastic boning supports and rouleau and scallop edges all explored.

IQI Library News

Reminder: Because we are at Gloria Dei for the next meeting, there will be no Library in September. Please continue to enjoy the books you have checked out, and return them at the October 3rd meeting at Beth Hillel. We have a great opportunity to purchase the DVD set of "Why Quilts Matter: History, Art & Politics Documentary" for a special guild purchase of 40% off the regular price. We just need 3 other people to purchase the set to qualify. The original cost is \$45.95, so our cost will be approximately \$30.00 per order (which should include shipping). Please e-mail us (library@illinoisquilters.com) or let us know at the September meeting if you are interested. We saw one episode on PBS and enjoyed it. It's produced by the Kentucky Quilt Project, Inc. The DVD set includes additional bonus material not seen on the PBS episodes.

Illinois Quilters, Inc. 2014 Quilt-In Workshops

Finished samples for the various workshops (but not for the Mystery Quilt!) will be available at September & October guild meetings; see photos on IQI's website. There are no fees but some require purchase of a pattern. If interested, register for any you would like -- keep a note on this copy! Using supply lists and instructions you'll receive in early January, arrive ready to create beautiful things.

___ **Mystery Quilt:** Early instructions explain fabric selection and initial steps; then, starting Friday, follow continuing instructions on your own to create a lap quilt or wall hanging during the weekend. The pattern is revealed as you progress. It's not a contest, but who will be the first to see it? The pattern is provided step-by-step at the Quilt-In. (Harriet Bertsche)

Half-day Saturday workshops

A)___ **Sophisticated Bag:** Make this stylish bag to update your wardrobe or wow a gift recipient. Your fabrics and Pellon fleece (or equivalent) work up quickly to 'make a statement'. *Requires purchased pattern (but no hardware)*. (Randy Menakes)

B)___ **Stuffed Fabric Bear:** Make a darling 'stuffy' in the fabric of your choice. This is a very suitable gift for all ages and can be personalized with school colors, holiday fabric, novelty fabric relative to a hobby, or however whimsy moves you! Francine has already made about 200 and has orders for dozens more. She will provide her pattern without cost. (Francine Grampovnik)

C)___ **Dominoes Table Runner:** Learn how to piece a contemporary table runner from 7 fat quarters and a half yard of contrasting fabric. Laurie says she started hers Saturday afternoon at last year's Quilt-In and finished in time for Sunday's Show & Tell. *Requires purchased pattern*. (Laurie Gorton)

D)___ **Travel Iron Caddy:** Create a quilted caddy in the size for your travel iron or standard-sized iron. Buttoned straps release to unfold the caddy: use the inner heat-resistant surface for handy pressing, then fold and re-button for safe transport of the hot iron. Very practical, very clever, very cute! *Requires purchased pattern*. (Ellen Pomes)
